

TOP 10 EXCUSES FOR WHY YOU'RE LATE

10. TRAFFIC WAS CRAZY!

Traffic is always the best go-to for a quick excuse because of its unpredictability and prevalent nature.

9. MY MOM NEEDED A RIDE.

Assisting family members shows family dedication and loyalty. Besides, who can say no to their mother?

8. MY CAR BATTERY DIED.

This excuse usually requires timely third party assistance. Do not use this excuse too often as car batteries last 3–4 years.

7. I HAD TO STOP FOR COFFEE.

This is a great excuse that can be even better when paired with a latte for the person you are late to see.

6. MY KID IS SICK.

This is a classic excuse that can be reused. If the person you're late to see also has kids, he or she can empathize.

5. MY DOG GOT LOOSE.

Everyone loves animals. Even non-pet owners can be very understanding when it comes to pet emergencies.

4. I HAD TO GO BACK FOR MY PURSE/WALLET.

This excuse is good because we have all done this. Be careful to not use too often as that would establish a bad pattern.

3. I GOT STUCK IN THE SCHOOL DROP-OFF.

It is well known that school drop-offs can take extra time for various, unforeseen reasons which can be out of your control.

2. I HAD TO MAKE A PIT STOP.

The ambiguity of this excuse is what makes it useful. If you are asked to elaborate, be creative.

1. I WAS TRYING TO GET HERE SAFELY.

This is the best reason on this list because it is not an excuse. This reason shows that you are a safe driver and that you genuinely care about yourself and others.
